

A Quarterly Report on CBMC Africa Activities and updates

EQUIPPING MARKETPLACE AMBASSADORS IN AFRICA

Dear Friend of CBMC Africa

This edition of the Third Quarter of CBMC Africa Report, we focus on the importance of Evangelism and Discipleship in the marketplace. As I travelled across Africa and visited CBMC teams, it became very clear that we needed to focus on Evangelism and Discipleship. One of the key things we identified first in order to help existing teams to become effective Connect3 teams, was to encourage team members to get involved in one on one discipleship using OT.

During this quarter, we had Vision Casting Seminar in Burundi on 27th July 2018 which resulted in 3 men from Burundi attending the East Africa training in Rwanda. Two (2) Regional Trainings were conducted; Southern Africa Training/ Zimbabwe National Convention in Zimbabwe and East Africa training in Rwanda. The Zimbabwe training attracted 4 African countries namely **Malawi, South Africa, Zambia and Zimbabwe**. During the East Africa training we had **Burundi, Congo DRC, Ethiopia, Kenya, Rwanda, Uganda and Tanzania**.

Please join me to pray for all CBMC men and women who have committed to be Marketplace Ambassadors and disciple-makers so that the fire may keep burning in their hearts as they affect men and women in their areas.

My encouragement to all CBMC leaders and volunteers is that we should keep “the main thing the main thing”. The bible in the book of Galatians 6:9 says

“Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up”.

This edition features stories and testimonies from men and women in CBMC Africa who are living true to the vision and mission of CBMC. I hope you will be challenged and inspired by their stories.

Your fellow servant to our Lord Jesus Christ,

Alex Chisanga
CBMC Africa Director.

FOCUS ON EVANGELISM WITH REAL STORIES

Missing the flight God's Agenda?

I thank God I am in Kenya safe, now heading home. Though, unfortunately once I boarded last minute I was called again. Apparently I had given out a fake 10 dollar note and by Gods grace a fellow Kenyan who had also missed the flight bailed me out. We were three who missed the flight the amazing miracle is that even with the

missed flight God had an agenda. I spent 3hrs with these young men from Kenya for about 30min I shared the Gospel and they gave their lives to Christ to God be all the glory discipleship handover begins. They live in a town called Nakuru am trusting God to provide Pauls for them.

“Then Peter said, Silver and gold have I none; but such as I have give I thee”

Story of Amon from

Last week I was passing near the Lake Tanganyika and then a young guy came to ask me for some money to buy food. He told me he was released from jail and he had nothing. At that moment I was thinking how much to give to him But the idea come and I told him I do not have money to give you but what I have I am going to give it to you. Then I started to tell him God's love he listened a moment and he started to weep. He told me he had never heard such words. As he was weeping he asked me to pray for him. He said I do not even need the money that is enough. After praying I gave him some money to buy some food for him to eat and to use for bus fare. And he went weeping. Unfortunately he gave me a number of his neighbour but the number is not going through. His name is Kevin.

FOCUS ON DISCIPLE-MAKING

Testimony following Zimbabwe CBMC Convention

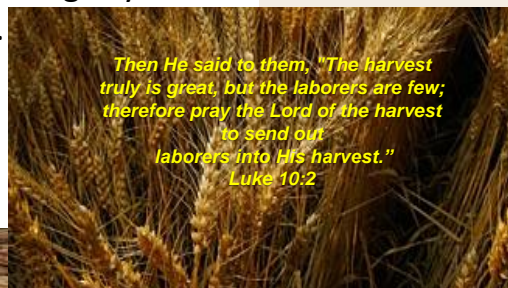

Richard Mporokoso

During the Zimbabwe Convention the need to be market place ambassadors was amplified. This greatly impacted my life. For example the realization that the “market place was a central platform for Jesus’ spiritual impact. 122 of the 132 public appearances of Jesus were in a marketplace setting.” (Patrick O’Neal)

In the light of this understanding and many other teachings and testimonies that were shared I realized that discipleship is critical in being able to have people who can influence the market place rightly with the gospel. We heard that disciple making is God’s plan. We were encouraged to have a plan to follow thus Operation Timothy is a tool that can be used to disciple someone in Christ

Upon my return I pondered the teaching and felt compelled to have a Timothy. I have since started engaging with someone I now consider my Timothy. He is eager walk this journey and prayerfully we are trusting that fruits of this engagement will manifest to the glory and praise of our God and Lord Jesus.

Bridget Chisanga - Testimony after CBMC Zimbabwe convention.

It was during the ladies meeting at the convention that I was inspired by Tina O'Neal and Letitia Van Ransburg) to disciple and encourage women who are very influential to the standing of their spouses Christian life in their families. When I came back home I decided to use the OT starting with book one for our weekly Tuesday meetings that has brought about a very big impact on the biblical teachings and study that the group of eight women needed for their spiritual understanding and growth. The topics are very systematic and easy to follow which is giving the team great insight and practical affirmation of true Christianity according to the word of God. The team is now looking forward to each coming Tuesday for more of God's word and revelation. I am excited to see the impact of the Operation Timothy (Finding the way) book one is having on the group and the testimonies as we follow through from chapter to chapter.
